##Introduction Sentiment Analysis towards the account of Resident_bio

```
## [1] "  Oh for sure  All my love of Ustanak in the world isn t enough to top the OG king    Honestly
## [2] "    Most likely they set a trap and threw the shotgun in there with him so there was no going ba
## [3] "  You d think so  Maybe that s what the M37 was  they definitely seem to be a gun kind of family
## [4] "  That would be a sick logo for the  4   I m still down for them using the classic Resident Evil
## [5] "  That s what I believe it was  Spencer even says he has another one to place there  I could see
## [6] "  Right   I liked Ustanak because unlike every other tyrant  he didn t really regenerate or muta
